Lithographic version with watercolour on paper by George Falkner, Manchester from the original Plan surveyed by Charles E. Cawley C.E., 1852. Scale 1 to 538.

This lithographic Plan is from a set of 15 covering the area, with fifty sets in all being published to aid with the collecting of rates to improve the sanitation of the town. This set is held by Trafford Local Studies and Archives, who along with the full set of original watercolour Plans by Charles E. Cawley seen elsewhere on this web site, have kindly allowed scanning and reproduction for ease of access and digital conservation.
