[Altrincham History Society](#) (AHS) was founded in 1988. Its aims are to further the study of the local history of the Altrincham area and to communicate such findings to members of the community at large. Talks mainly of local interest for members and visitors, are given in the Altrincham Town Hall from September to May, usually on the second Tuesday of the month, with invited speakers .

The Altrincham History Society Journal has been published since 1991. Due to the size of the files, although not as convenient, it has been divided into three PDFs.
