To the east of Washway Road and south of Marsland Road in Sale, the layout of new residential streets can be made out. The Baguley Sanatorium can be seen to the east, out of which after WWII, the new NHS Wythenshawe Hospital gradually emerged. The Wythenshawe garden suburb housing estate, built upon Mr Tatton's estate from 1926, can be seen to be far right, but is yet to be extended south of Wythenshawe Park.
