‘Provisional Edition’ of an OS map surveyed 1873-74, revised 1907-08, with additions in 1938. Scale 1 to 10,560.

[DOWNLOAD PDF](#)

Printed on ‘War Substitute Paper’ and ‘surveyed by rapid methods as an emergency measure’ in 1938, the roads and buildings ‘do not conform to accuracy of the rest of the map’, with the boundaries in some areas omitted. New housing created since 1907-08, is clearly differentiated as white blocks with a simple outline.
