THE Proprietors, in offering this new Directory to the Public, again return their acknowledgments for the patronage they have hitherto received, and hope to meet with encouragement in the volume now offered to notice.

Having been repeatedly solicited, by many mercantile Gentlemen, to extend the circuit of the Directory, considering that, if the neighbouring Towns were added, it would greatly enhance its utility; the Proprietors have, therefore, complied with the wishes of their friends, and published it along with this Edition of their Manchester and Salford General and Commercial Directory, at only the small additional charge of 2s. including a MAP OF THE COUNTRY TWENTY MILES ROUND MANCHESTER.

The Work is also embellished with a NEW PLAN OF MANCHESTER AND SALFORD, with every alteration to the present time.
