ALTRINCHAM

ALTRINCHAM (or, as it is frequently written, Altringham) is a market town and parish, 30 miles north-east from Chester, 7 north-east from Knutsford, 9 west from Stockport, 8 south-south-west from Manchester, 11 east from Warrington, 18½ from Bolton, 30 from Liverpool and 193½ from London, and is within the Altrincham division of the county, and in the rural deanery of Bowdon, and archdeaconry of Macclesfield and diocese of Chester: it is also in the hundred and union of Bucklow, the latter having been formed in 1895 in place of the old Altrincham union. The town is an important railway centre, and has four separate but connected stations:—Altrincham and Bowdon station, in Stamford New road, near the centre of the town, belonging to the Manchester, South Junction and Altrincham railway; Hale station, at the southern extremity of the town, on the Cheshire Lines railway; Broadheath station, to the north, on the London and North Western line; and West Timperley station, north of the town, on the Cheshire Lines railway.

The Bridgewater canal, now the property of the Manchester Ship Canal Co. intersects the township for three-quarters of a mile at Broadheath.

Altrincham was constituted a Local Government District 18 Feb. 1851, under the provisions of the "Public Health Act, 1848" (11 & 12 Vict. c. 63), and was under the control of a Local Board, until, under the provisions of the "Local Government Act, 1894" (56 and 57 Vict. c. 73), the present Urban District Council was established. The Urban District is divided into six wards.

Hamon de Massey, lord of Dunham Massey, by charter in the reign of Edward I. (circ. 1290), granted to the town the position of a free borough, instituting burgesses, and a gild merchant, and authorised the burgesses to elect a praepositus or bailiff, now styled "mayor," and this charter "is still preserved, enclosed in a circular oak case or box, shaped like an inverted cone, two or three inches in diameter." The mayor is still appointed annually at the Michaelmas court leet of the lord of the barony, by the steward, but he possesses no magisterial authority, and his duties appear to have been confined to the opening of the fairs, which are now obsolete;

there is no corporate seal, chain or badge of any kind. The arms of the town are "quarterly, gu. and or, in the first quarter a lion pass. arg."

The town, which occupies a very healthy situation, comprises several wide streets, and is lighted with gas from works at Moss lane, Hale, about half-a-mile east, erected about 1850, and covering 4½ acres; the works are the property of a company, incorporated in 1872, and the water supply is from Manchester, with two reservoirs at Bowdon, of the North Cheshire Water Company.

St. George's is an ecclesiastical parish, first formed out of the mother parish of Bowdon, Aug. 28, 1860, and made a separate parish in 1868.

The church, in Church street, built by subscription in 1799, and twice enlarged, was rebuilt in 1896 from designs by Messrs. Paley and Austin, architects, at a cost of £5,500, and reopened Nov. 17, 1897: it consists of chancel, nave, aisles and a western tower containing one bell: the stained east window, a memorial to Samuel and Ann Hardy, was presented by their daughter, Sarah Holland, in 1861: the west window is a memorial to William P. Grimble Groves, and was placed in 1897: the fine alabaster pulpit is a memorial to John Newton esq.: the alabaster wainscot of the chancel was given in 1898 by Charles Newton and Henry Fairbrother esqrs.: the alabaster font is a memorial to the Rev. George London, vicar 1860-1894: the stained glass of the seven windows in the north aisle was all removed from the old church and replaced in the original tracery: the brass lectern was given by Henry Fairbrother esq.: the church will seat 630 persons. The register dates from the year 1799. The living is a vicarage, net yearly value £394, chiefly derived from pew rents, with residence, in the gift of the vicar of Bowdon for the time being, and held since 1914 by the Rev. Ernest Scales Oliver B.A. of Oriel College, Oxford. The vicarage house is near the church.

St. Alban's, Broadheath, is an ecclesiastical parish formed out of the parish of St. George, and constituted a separate parish in January, 1911. The church was erected in 1900. There are 320 sittings. The living is a vicarage, net yearly value £300, in the gift of the

Bishop of Chester, and held since 1912 by the Rev. Frederick Charles Bozman M.A. of Trinity College, Cambridge.

St. John the Evangelist's is an ecclesiastical parish, formed Nov. 5, 1867, out of Bowdon St. Margaret, Dunham Massey and Timperley. The church, erected in 1866, at a cost of over £8,000, is a building of stone in the Gothic style, consisting of chancel, nave, aisles, transepts, south and west porches and a south-west tower with octagonal spire. The church affords 950 sittings, of which half are free. The register dates from the year 1866. The living is a vicarage, net yearly value £600, with residence, in the gift of the Bishop of Chester, and held since 1922 by the Rev. Edward Hamer Hughes Davies M.A. of Keble College, Oxford.

St. Elizabeth's church, in Pownall street, erected in 1890, will seat 300 persons.

All Saints', Regent road, is a chapel-of-ease to St. Margaret's, Dunham Massey, from which it is served, and has sittings for 300 persons.

The Catholic church of St. Vincent de Paul, at the junction of Bentinck and Groby roads, was completed in 1906.

The Baptist chapel, in Hale road, erected in 1887, has 450 sittings; a new lecture hall, class rooms, organ chamber and vestry were added in 1908 at a cost of about £1,400.

Bowdon Downs Congregational chapel was erected in 1839, and has 800 sittings. There is a Congregational chapel in Manchester road, Broadheath, built in 1865, seating 500 persons.

The United Methodist chapel, in George street, was erected in 1820, and there is a Primitive Methodist chapel in Oxford road and Devonshire road; the Unitarian chapel, in Dunham road, erected in 1876, will seat 350 persons.

The Wesleyan Methodist chapel in Woodlands road, built in 1866 at a cost of £7,000, is of stone, in the Romanesque style, and will seat 750 persons; the Wesleyan Methodist chapel, Broadheath, erected in 1899 at a cost of £1,700, has sittings for 350 persons, and there is another Wesleyan chapel in Borough road.

The Welsh Calvinistic Methodist chapel, in Willow Tree road, was built in 1903 at a cost of £924, and will seat 180.

The Salvation Army hall is in George street.

The Altrincham Urban Council Cemetery, Hale road, opened 12th December, 1894, at a cost of about £9,000, covers an area of 10 acres. It contains a small chapel, which is used for all denominations and is governed by the Altrincham Urban District Council.

The Town Hall, in Market street, erected in 1901 from the designs of Messrs. Hindle and Davenport, of Manchester, is a structure of red brick and red sandstone dressings in the Jacobean style; it contains a large hall with mosaic floor; the council chamber, 35 ft. by 26 ft. with a panelled ceiling and stained windows, displaying the arms of the Barons of Chester and the principal Cheshire families; the carved oak chairs were specially designed and made by Mr. Joseph Phillips, of Altrincham: here also are the offices of the clerk, surveyor, rate collector and overseers; the staircase windows bear the Royal arms and those of Altrincham, Chester and Manchester. Adjoining is the Fire Station, where is kept a steam fire engine belonging to the Urban District Council; the force comprises 12 men and a superintendent; there is a comfortably fitted-up room for the firemen, and also a mortuary.

The old Town Hall, near the Market place, erected by the Earl of Stamford and Warrington in 1849, is an edifice of red brick with stone dressings, relieved in front by a bell turret with a clock; the lower portion is now used as a grain store, above which, and extending along the whole length of the building, is an assembly room 66 feet by 30, now attached to the Unicorn hotel and used for public and masonic meetings, balls and lectures; it will seat about 300 persons.

The Market hall, in Market street, erected in 1879, at a cost of £5,000, from the designs of Mr. M. A. Roscoe, architect, of Altrincham, is of brick in the Italian style, the whole enclosing a space of about 90 feet by 60.

The market for butter, eggs, poultry, rabbits, fruit and drapery is held on Tuesdays, weekly.

Cabinet-making is carried on. At Broadheath are coal wharfs on the Bridgewater Canal undertaking; there are also iron foundries, timber yards, saw mills, nurseries and photographic apparatus manufactories. Here are also the works of Linotype and Machinery Limited.

An agricultural and horticultural show is held annually. The public slaughter houses, built in 1870, on the

outskirts of the town, have been taken over by the Urban District Council, and new and much improved premises were added in 1904.

The Sessions house and Police station, in Dunham road, is an edifice of brick and stone erected in 1866 and enlarged in 1903. Attached are retiring rooms for the magistrates, police office and lock-ups, with residence for the superintendent on one side, and a parade ground at the back; on the premises is a fire bell; the County court is also held here.

Altrincham Conservative club, in Market street, erected in 1882 at a cost of £2,000, is a structure of white brick in the Italian style and contains billiard, reading, smoking, lecture and committee rooms, a bar, and a manager's residence, and has a bowling green adjoining. It is the Conservative centre for the Altrincham division of the county.

The Altrincham Jubilee Baths, Stamford New road, under the management of the Urban District Council, erected in commemoration of the 60th year of the reign of Her late Majesty Queen Victoria, are of brick, having a swimming bath, 60 feet by 20 feet, and five slipper baths. In 1909 a swimming bath, 75 feet by 30 feet, and eight private baths were added at a cost of £3,500.

The Altrincham Free Library, Public Hall and Museum, in George street, formerly the Altrincham and Bowdon Literary Institution, was taken over by the Local Board (now the Urban District Council), on the adoption by the Board of the Public Libraries and Technical Education Acts, in 1899. The first building was erected in 1852, at a cost of £800, on a site given by George Harry, 7th Earl of Stamford and Warrington. The lecture hall, destroyed by fire in 1878, was rebuilt on an enlarged scale in the following year; and in 1893 the whole was generally enlarged at a cost of £5,100. The library, comprising lending and reference departments, now contains some 13,600 volumes, and has a reading room well supplied with daily, weekly and monthly papers and magazines &c. The hall, which holds 700 persons, is well adapted for stage plays, bazaars, balls, concerts &c. The Museum, opened in 1898, includes a collection of objects presented by the late Sir Cunliffe Brooks, and a fine collection of birds, fossils, minerals and curios.

St. Margaret's Institute, in Market street, in connection with St. Margaret's church, Dunham Massey, was erected in 1896 at a cost of £2,500, from designs by Mr. Gouldsmith, architect, and contains a large room for concerts and dramatic performances, seating about 350 people. There are also reading and billiard rooms and a good gymnasium. Weaving and wood-carving classes are held here. The Institute is open to persons of both sexes, and there are about 800 members.

The Altrincham Conservative Working Men's Club, in Greenwood street, erected in 1887, is a spacious brick building, with manager's quarters attached.

St. John's club rooms, Islington street, in connection with St. John's church, are open every evening.

The General Hospital for accidents and medical and surgical cases, in Market street, built in 1870 from designs by the late Mr. Peter Pons, of Altrincham, is a spacious edifice of brick and stone which has been considerably improved since its first erection. It was enlarged in 1913 and 1914 by the addition of a new out-patients department, accident and dressing rooms, dispensary, mortuary and laundry, and now consists of accident ward, men's medical and surgical wards, women's wards, children's wards and four small private wards. It contains 60 beds and cots. The Provident Dispensary for out-door cases is in the new building, and there are also eye and dental departments. A nurses' home for 21 nurses has been erected. There are also trained and certificated nurses available for attendance on private cases. Miss Fulham is lady superintendent.

Stamford Public Park, comprising 16 acres, was formed out of Hale Moss, a piece of land given to the Local Board in 1879 by the 7th Earl of Stamford and Warrington; it has been laid out with walks and flower-beds, cricket, football and lawn tennis grounds and a bowling green, and a bathing pond has also been formed, at a cost of £5,000. This park is now under the control of the Urban District Council.

The neighbourhood contains a great many detached villa residences, principally occupied by Manchester merchants.

The Earl of Stamford J.P. is lord of the manor and principal landowner.

The soil of the country around is well adapted for the growth of fruit and vegetables, particularly carrots and onions; the former have acquired a universal celebrity and are known as the Altrincham, or green-top, carrot.

The population of the civil parish and Urban District in 1891 was 12,424, in 1901, 15,831, in 1911, 17,813, and in 1921, 20,461; the acreage is 662; rateable value in 1922, £129,613.

ALVANLEY is a parish and small village, in a hilly district, 3 miles south-south-west from Frodsham and $1\frac{1}{2}$ south from the Helsby station on the London and North Western and Great Western joint railways, in the Eddisbury division of the county, Runcorn union and county court district, hundred and petty sessional division of Eddisbury, rural deanery of Frodsham and archdeaconry and diocese of Chester. This place has furnished the title of baron to the Ardenre or Arden family, barons Alvanley, but it became extinct on the death of the third baron, 24 June, 1857. Alvanley ecclesiastical parish was formed in 1861. The church of St. John the Evangelist, erected in 1861, near the site of an oratory, founded by Catherine Ardenre in 1446, during the reign of Henry VI. took the place of a chapelry built in 1540, and pulled down in 1860. It is a building of stone, consisting of chancel, nave of four bays, aisles, south porch and a small western turret containing 2 bells: there are six stained windows, of which two were presented by the Hon. Miss Arden, of Tarporley, who built the church, and one is to her memory, erected by the parishioners in 1875: the brass lectern was presented in 1889, by the tenants of the Alvanley estate, to the memory of the Countess of Haddington, who died May 20th, 1889, and the pulpit is in memory of the 11th Lord Haddington. The church affords 220 sittings. The register dates from

GREAT BOUGHTON is a village and township in the parish of St. Paul's, Chester, partly within the limits of the municipal borough of Chester and bounded on the north by the river Dee; it is $1\frac{1}{2}$ miles south-east from the Cross, and is in the City of Chester division of the county, lower division of the hundred of Broxton, union and county court district of Chester and petty sessional division of Chester Castle. During the Civil war this village was the scene of several encounters between the Royalists and Parliamentary forces; in 1644, Chester being then besieged by the latter, a detachment of the garrison sallied forth to attack a Parliamentary force posted in the adjoining village of Christleton; the skirmish began at Great Boughton, and after a severe struggle the Parliamentarians retired, but about 140 of the king's party were slain, most of them being citizens of Chester. The whole of Great Boughton, including the hall, was burned down by the garrison of Chester in order to prevent the enemy from re-occupying it. Most of the land is cultivated as market gardens, which furnish abundant supplies to the Chester market. Boughton Hall, the property of Major W. G. T. Currie J.P. and the residence of Joseph Cooper esq. is an ancient mansion of the 17th century,

with a good entrance porch; the hall has a floor of polished oak and a fireplace surrounded by Dutch tiles, and bearing the date 1655; it has been in the possession of the Currie family since the time of Henry VII.; Vicar's Cross is the residence of Mrs. Lowry. Major W. G. T. Currie J.P. is lord of the manor and principal landowner. The soil is loam; subsoil, clay. The chief crops are vegetables, strawberries &c. The area is 723 acres; rateable value, £10,549; the population in 1911 was 1,336, of which 440 were in Chester parliamentary borough, including 25 inmates and 5 officials in Tarvin Poor Law Institution.

BOWDON

BOWDON is an extensive parish and township, 9 miles south from Manchester, 7 from Knutsford, 12 from Northwich and 1 south-west from Altrincham, with a station locally in Stamford road, Altrincham, on the Manchester, South Junction and Altrincham railway, and connected also with the neighbouring stations on the London and North Western and Cheshire Lines railways (Hale Station), in the Altrincham division of the county, hundred and union of Bucklow, county court district of Altrincham, rural deanery of Bowdon, archdeaconry of Macclesfield and diocese of Chester. The town occupies a commanding eminence, affording fine views of the valley of Bollin and the surrounding country for many miles; its delightful and healthy situation, and the facilities of railway communication which it enjoys, have made it a popular place of residence for the wealthier classes of Manchester.

"The Local Government Act, 1858" was adopted 22 Jan. 1864, but the township, formerly under the control of a Local Board, is now governed by an Urban District Council, under the provisions of the "Local Government Act, 1894" (56 and 57 Vict. c. 73) and is supplied with water by the North Cheshire Water Co.

The Urban District is divided into East, North, South and West Wards.

The parish church of the Blessed Virgin Mary, first erected during the Saxon times, and thrice restored, according to a brass inscription in the interior, in the years 1100, 1320 and 1570, was rebuilt with enlargements, on the same site, in 1860, at a cost of £15,000, under the direction of Mr. W. H. Brakspear, architect, of Manchester, in the Transition style between the Decorated and Perpendicular periods, and is a cruciform edifice, consisting of chancel, with north and

south chapels, transepts, clerestoried nave, north and south porches, and an embattled western tower, 91 feet in height, with pinnacles, and containing a clock and 6 bells: the base of the tower forms a western porch: both chapels were formerly the burying places of the Earls of Stamford and Warrington, but the present family vault is under the south or Dunham chapel: in the south or Dunham chapel is a fine mural monument with inscribed tablet, sculptures and allegorical figures to Henry 2nd Baron Delamere and 1st Earl of Warrington, tried for high treason, but honourably acquitted, 1676; ob. 2 Jan. 1693-4; and to Mary (Langham) his countess, ob. 23 March, 1690-91; here also is another large mural monument, with Ionic pillars supporting a pediment adorned with figures of cherubs, and at the back a shield of arms of 60 quarterings and two medallion portraits; on the monument is a long inscription to the Hon. Langham Booth, d. 12 May, 1724; and to the Hon. Henry Booth, M.P. for Cheshire, 1661-80, d. 2 Feb. 1726-7: in Carrington chapel is a fine monument with recumbent effigies, to William Brereton esq. of Ashley, ob. 20 Aug. 1630, and Jane (Warburton) his wife, ob. 2 March, 1627; the figure of the former lies under an arch in the upper stage of the monument, and below, under a marble canopy, supported on pillars of the Corinthian order, is that of his wife; ten members of the Brereton family were buried here from 1570 to 1660, and the registers also record numerous baptisms: in the chancel proper is a brass to the Rev. John Kingsley M.A. formerly curate here, and some time vicar of Dunham Massey, d. Nov. 1869; and one to Ven. William Pollock D.D. vicar of Bowdon and archdeacon of Chester, d. 11 Oct. 1873; and there are other memorials to Thomas Assheton Smith esq. d. 1769, and Harriet his wife, d. 1778, and to Thomas, their son, d. 1774; and to Edward Jeremiah Lloyd esq. of Oldfield Hall, d. 3 July, 1850: the stained east window was presented by W. Nield esq. in memory of his wife, who died in 1859, and the west window, a memorial to Margaret Annie Clegg, was placed in 1854 by her parents; the large stained windows in the transepts were given by Lady Murray, of Oldfield Hall, and E. Joynson esq. of Bowdon, and there are five others, chiefly memorials: the font, presented in 1860 by Miss Joynson, consists of an octagonal basin of Painswick stone, richly carved, and supported on a shaft of Devonshire marble: the brass lectern was the gift of the parishioners in 1911: there are 1,164 sittings in addition to those in the Dunham chapel: the churchyard was levelled and inclosed by a wall and railings in 1860. The register dates from the year 1627. The living is a vicarage, net yearly value £720, with 10 acres of glebe and residence, erected in 1864, in the gift of the Bishop of Chester, and held since 1920 by the Rev. Francis Cole Lowry Hamilton M.A. of University College, Durham. The mission church of St. Luke, in Vicarage lane, erected in 1882, is served from the parish church, and has 150 sittings. The St. Paul's Wesleyan Methodist chapel, Enville road, erected in 1880, at a cost, including Sunday schools and minister's house, of £30,000, is a building of stone, in the Gothic style, from designs by Mr. W. H. Brakspear, architect, and will seat 700 persons. There is one other small Wesleyan Methodist chapel in Priory street. The charities for distribution in bread, to be given away to the poor every Sunday, and in clothing, amount altogether to about £110 yearly; George Earl of Warrington left by will dated 22 July, 1754, a sum of £5,000, in 1902 of the capital value of £5,610, invested in Consols, for apprenticing, educating or clothing poor children, or for clothing or affording other relief to aged persons; Walton's, Cooke's, and Bagshaw's charities produce £216 yearly for educational purposes and bedding. The Earl of Stamford J.P. is lord of the manor and chief landowner. The population of the township and Urban District in 1911 was 3,044, and in 1921, 2,967; the acreage, 845 acres of land and 5 of water; rateable value, £31,080.

BRADWALL, see Elworth.

BRAMALL or **BRAMHALL**, see Hazel Grove.

BREDBURY is an extensive parish, $2\frac{1}{2}$ miles north-east from Stockport, with a station on the Great Central (late M., S. and L.) and Midland Joint railway, and $1\frac{1}{2}$ miles south-west from Romiley station on the same line, in the Macclesfield division of the county, hundred of Macclesfield, union, county court district, petty sessional division and rural deanery of Stockport, archdeaconry of Macclesfield and diocese of Chester.

The "Local Government Act, 1858," was adopted here 6th January, 1865, and the district has since been extended under the Act 43 and 44 Vict. c. 58 (1880) so as to include Romiley. The former Local Board has been superseded by an Urban District Council, under the provisions of the "Local Government Act, 1894" (56 and 57 Vict. c. 73). By the Stockport Borough (Extension) Order of 1901, which came into operation 19th November, 1901, 193 acres of Bredbury parish were added to the Borough of Stockport, and by the Bredbury and Romiley Extension Order of 1902, part of the parish of Brinnington, 461 acres, was added to the parish of Bredbury. The ecclesiastical parish was formed Sept. 8, 1846, from the parish of Stockport. The water supply is purchased in bulk from the Stockport Corporation and distributed by the Bredbury and Romiley Urban District Council; gas is supplied partly by Hyde Gas Co. and partly by the Stockport Corporation. The church of St. Mark, erected in 1848 at a cost of £3,330, is a building of stone in the Early English style, consisting of chancel, nave of five bays, aisles, west porch and a western tower with pinnacles

containing a clock with four dials and one bell: in the chancel is a memorial window to Zipporah, wife of the late W. C. Vaudrey esq. d. 10th May, 1873, and to Harriet, his sister, d. 27th December, 1868; to the Misses Rowbotham, erected in 1908, and to Mrs. Mary Marriott: the brass lectern was presented in memory of Thomas Wild esq.: a carved oak pulpit and prayer desk were provided in 1892 by public subscription, as a memorial to the Rev. James Whittaker B.A. vicar here 1846-91, and an oak reredos was presented by Mr. T. Clegg, of Holly Mount, Bredbury, in 1906: the church affords 728 sittings; the lych gate was erected in 1901 in memory of Mr. Clegg Livesey, by his widow and daughters, at a cost of about £300. The register dates from the year 1846. The living is a vicarage, net yearly value £396, with residence, in the gift of the Bishop of Chester, and held since 1922 by the Rev. Philip Rees L.Div. of St. David's College, Lampeter. Charities:—The sum of £25 18s. yearly, derived from the Barrack Hill school property, is applied to educational purposes here in the form of yearly prizes in money to children who have been for three years in regular attendance at any elementary school in Bredbury or Romiley. Bredbury Hall is now the property and residence of Louis Hyde esq. The area of the parish of Bredbury is 2,735 acres of land and 62 of water; rateable value, £44,319; that of the Urban District of Bredbury and Romiley, 3,086; rateable value, £22,427. The population of Bredbury in 1911 was 5,785, that of the Urban District, 8,683, viz.:

HALE is an Urban District, much scattered, formerly
in Bowdon parish, but by Order of the County Council
was formed into a separate parish March 31, 1900, and
by Order in Council dated July 28th, 1906, was created
an ecclesiastical parish; it is in Altrincham division of
the county, Bucklow hundred and union, Altrincham
petty sessional division and county court district, and
in the rural deanery of Bowdon, archdeaconry of Maccles-
field and diocese of Chester, about a mile south and
east from Altrincham, consisting principally of private
residences occupied by business men from Manchester.
The Cheshire Lines railway from Altrincham to Chester,
which runs in connection with the Great Northern, the
Midland and Great Central railways, passes through the
parish, and has a station here.

Hale is governed by an Urban District Council of twelve
members, formed in 1900. St. Peter's, in Ashley road,
formerly a chapel of ease to Bowdon parish church, was
opened in 1892 and erected at a cost of upwards of
£7,000: there are 400 sittings. The register dates from
the year 1897. The living is a vicarage, net yearly
value £400, and residence, in the gift of the vicar of
Bowdon, and held since 1906 by the Rev. John Ritson
Brunskill M.A. of Queen's College, Oxford, who was
curate in charge from 1893. **HALE BARNS** is a hamlet
in Hale parish. The chapel of ease at Hale Barns,
erected in 1882 at a cost of £800, in connection with
All Saints', Ringway, is an edifice in the black and
white timbered style, and will seat 150 persons. The
Congregational chapel in Ashley road, built in 1899 at
a cost of £4,500, is a structure of red brick, and will
seat 400 persons. At Hale Barns is a Unitarian chapel,
erected in 1723, with 160 sittings, and in connection
with it a Sunday school, founded in 1787 and held in
a building erected in 1880. The Wesleyan Methodist
chapel, in Hale road, erected in 1897, is of brick, and
will seat 300 persons. At Bromfield Gardens the figure
in bronze of a British soldier, 7 feet in height, and
standing on a base of Portland stone, commemorates
the men of Hale who fell in the Great War, 1914-18;
this memorial, which was designed and executed by
F. J. Wilcoxson esq. was unveiled in May, 1922, by
Lieut.-Gen. Sir Beauvoir de Lisle K.C.B., K.C.M.G.,
D.S.O. and dedicated by the Bishop of Chester. The

Hale Free Library, opened in June, 1907, has about
3,500 volumes. The principal landowners are Lord
Egerton of Tatton, the trustees of the late Sir William
Cunliffe Brooks bart. (d. 1900) and the trustees of J.
Harrop esq. The trustees of the late Countess of Stam-
ford and Warrington (d. 1905) are lords of the manor.
The soil generally is sand and gravel, with here and
there a stiff clay. The population in 1901 was 4,562,
in 1911, 8,351, and in 1921, 9,285; the area is 1,284
acres of land and 4 of water; the rateable value is
£81,741.

The population of the wards in 1911 was:—Central,
2,484; North, 2,787; South-East, 1,111; West, 1,969.

The population of ecclesiastical parish in 1911 was
3,332.

Ringway, formerly a hamlet in Hale township, has been
formed into a separate civil parish, and will be found
under a separate heading.

HALTON (or Haulton) is a township and village and was formed into a parish, including Norton, Stockham, Rock Savage and Astmoor, July 3, 1860, from the civil parish of Runcorn; it is in the Northwich division of the county, hundred of Bucklow, petty sessional division, union and county court district of Runcorn, and in the rural deanery of Frodsham, and archdeaconry and diocese of Chester. Halton village, standing on the top of an eminence commanding a fine view of the rivers Mersey and Weaver, is a mile and a half south-east of Runcorn, and has a station about $1\frac{1}{2}$ miles south from the village on the London and North Western and Great Western joint railways; the village is lighted with gas and supplied with water from works at Runcorn. The church of St. Mary the Virgin, standing on an eminence, is a building of red sandstone in the Gothic style, designed by the late Sir Gilbert Scott R.A. and consisting of chancel, clerestoried nave of four bays, aisles, south porch and a turret on the eastern gable of the nave containing one bell: there are 415 sittings. The registers date from the year 1732. The living is a vicarage, net yearly value £230, with 80 acres of glebe and residence, in the gift of Sir R. Christopher Brooke bart. and held since 1919 by the Rev. Charles Musgrave M.A. of Christ Church, Oxford. The Wesleyan chapel, erected in 1875, at a cost of £4,000, at the expense of the late Thomas Hazlehurst esq. is a building of stone in the Gothic style, and has a tower with spire: it affords 320 sittings. A cemetery of one acre was formed in 1885 at a cost of £500, and is under the control of the Parish Council: at the entrance is a lych gate, erected by public subscription as a memorial to the men of Halton who fell in the Great War, 1914-18. Brooke's almshouses, founded in 1769 and endowed with £54 12s. yearly, are for six poor and decayed honest servants; each inmate receives 4s. weekly. The charities for distribution in fuel and money amount to £36 yearly, and there is also a sum of £11 for the support and repair of the library founded here in 1733 by Sir John Chesshyre kt. of Hallwood, first serjeant-at-law to George II. ob. 15 May, 1738, and buried in Runcorn church, where there is a monument: the library is a small detached building, and over the entrance is an inscription recording the foundation and the appointment of the curate as perpetual librarian. Halton Castle, now and for a long period in ruins, was built A.D. 1071 by Hugh de Abrincis, surnamed "Lupus," first palatine Earl of Chester: it subsequently became the property of the Crown, in right of the Duchy of Lancaster, which has still a large jurisdiction in the country included in Halton Fee, or the honor of Halton, and maintains a court of record. At the Castle inn, which stands within the ruins, courts leet have been held annually for over 700 years; attached to the inn is a good bowling green. Sir Richard Christopher Brooke bart. is lord of the manor and chief landowner. The soil is clayey, resting on rock. The population of the township in 1911 was 1,294, and the acreage is 1,813 of land, 3 of inland and 19 of tidal water and 235 of foreshore; the rateable value, £8,079. The population of the ecclesiastical parish in 1911 was 1,781.

By Local Government Board Order 15,915 (24 March, 1884) and by the provisions of the Divided Parishes Act, 1882, part of Halton has been transferred to Runcorn for civil purposes.

Parish Clerk, Alfred Povey.

Post, M. O., T. & T. E. D. Office, Main street.—Mrs. Annie Dunbebin, sub-postmistress. Letters through Runcorn

Grammar School, founded by an unknown benefactor & endowed with about £44 yearly from various charities; the school will hold 266 children, who are educated free; there is a house for the master; the school is under the control of the vicar of Halton, Sir Richard Christopher Brooke bart. & C. L. Evans esq. as trustees; Samuel Blaine, master

ASTMOOR is a hamlet in the township of Halton, a mile and a half from Runcorn, on the Bridgewater canal.

CLIFTON (or Rock Savage) is a small township, 1 mile from Halton station on the Chester and Crewe section of the London and North Western railway, 2 miles north-east from Frodsham and $2\frac{1}{2}$ south from Runcorn, in Bucklow hundred. Here is a Primitive Methodist chapel, built in 1882 and enlarged in 1897, with 100 sittings. The Marquess of Cholmondeley P.C. is lord of the manor, and derives his title of Earl of Rock Savage (both created 22 Nov. 1815) from this place. The soil and subsoil are clay; the chief crops are wheat and potatoes. The area is 637 acres of land and 20 of water; rateable value, £2,922; population in 1911, 204.

Letters through Runcorn; Halton is the nearest money order & telegraph office, $1\frac{1}{2}$ miles distant

NORTON is an agricultural township and village, with a station on the Chester and Runcorn section of the London and North Western and Great Western joint railways, $3\frac{1}{2}$ miles north-east from Frodsham, 5 south-west from Warrington and 3 east from Runcorn: the township is intersected by the Bridgewater canal, now the property of the Manchester Ship Canal Co. In this township stands a lofty water tower of red sandstone, 113 feet in height, and 80 feet in diameter, erected by the corporation of Liverpool as part of their undertaking for the supply of water to that city from the great reservoir at Vyrnwy, in Montgomeryshire; the tank in the tower holds 3,000 tons (672,000 gallons) of water, which descends on the Cheshire side of the Mersey, through pipes laid in a shaft 86 feet deep, and is carried under the Mersey at a point about $2\frac{1}{2}$ miles from Runcorn, by means of a tunnel 900 feet in length and 10 feet wide, lined with iron; on the Lancashire side the water ascends through a similar arrangement of pipes, and is thence conveyed to Prescott. Norton Priory, the property of Sir Richard Christopher Brooke bart. is a fine old mansion, pleasantly situated in a park of about 115 acres, and is now (1922) unoccupied. The Augustinian priory of St. Mary, once existing here, was founded in 1210 by William, son of Nigel, constable of Chester, having been removed hither in 1135 from Runcorn, where it was first established; he endowed it with lands in the counties of Nottingham, Leicester and Oxford, which endowment his son Roger confirmed and granted, amongst other privileges, two deer out of his park at Halton every year upon the Feast of the Assumption. Edward the Black Prince was also a great benefactor to this priory; in the time of Henry VI. it was raised to the rank of an abbey. Sir R. C. Brooke bart. is lord of the manor and sole landowner. The soil and the subsoil are clay; the chief crops are wheat, oats and potatoes. The area is 2,192 acres of land, 54 of inland and 62 of tidal water and

1905 a carved oak reredos and altar were added, chancel floor relaid and interior of church decorated at a cost of £450: there are 230 sittings. The living was constituted a vicarage in accordance with Act 19 and 20 Vict. ch. 104, sec. 12, on the voidance of the benefice of Bunbury in 1907, net yearly value £300, with residence, in the gift of the Bishop of Chester, and held since 1908 by the Rev. Herbert Russell Sherwen M.A. of Pembroke College, Cambridge. A Parish Room was erected in 1893 at a cost of £150, raised by subscription, which was enlarged in 1920 at a cost of £300; it will now hold 200 persons. Tilstone Lodge, the residence of Cyril Dewhurst esq. is a mansion pleasantly seated in a small but beautiful park, on the south side of which is a large sheet of water. Lord Tollemache D.L., J.P. is lord of the manor and principal landowner. The area of the township is 869 acres of land and 20 of water; rateable value, £2,559; the population in 1911 was—of the ecclesiastical parish, 1,126; township, 175.

TIMPERLEY is a scattered village and township, formed into a parish in 1852 from the parish of Bowdon; it is on the old road from Altrincham to Stockport, 7½ miles south from Manchester, 8½ north-north-east from Knutsford, 13 from Northwich, 1½ north from Altrincham, 1 mile south from Timperley station on the Manchester, South Junction and Altrincham railway, and half a mile from Baguley station on the Stockport and Warrington section of the Cheshire Lines railway; there is also a station in the parish on the latter line called West Timperley. The parish is in the Altrincham division of the county, east division of Bucklow hundred and union, Altrincham county court district, rural deanery of Bowdon, archdeaconry of Macclesfield and diocese of Chester. The Bridgewater canal runs through a part of the township. Christ Church, erected on a site given by John

Barratt esq. consecrated and opened 27 Sept. 1849, and enlarged in 1864, is an edifice of Runcorn freestone in mixed styles, consisting of chancel, nave, aisles, transept, south porch and a western tower with spire containing one bell: a vestry was built in 1900 and an organ provided at a cost of £800, defrayed by the parishioners: the church affords 750 sittings. The register dates from the year 1849. The living is a vicarage, net yearly value £345, with residence, in the gift of trustees, and held since 1917 by the Rev. George Cecil Briggs M.A. of Sidney Sussex College, Cambridge, and surrogate. Here is a Wesleyan Methodist chapel, built in 1846. St. Andrew's school, in Deansgate lane, is used as a mission church, and is licensed for baptisms and Holy Communion; it will seat about 200. A recreation ground, consisting of 3½ acres, and provided with

gymnasium and swings &c. was opened, at a cost of £600, in 1898. Pickering Lodge is the residence of George Hardy esq. Timperley Hall is now occupied by the Timperley Golf Club. Riddings Hall, now a farmhouse, is an ancient building, approached through a stone archway and surrounded by a moat, but a great portion of the house has been modernized. Fir Tree Farmhouse is another ancient dwelling of timber and plaster with projecting gables, and has over the doorway the date 1676. The trustees of J. Taylor esq. John Newton, Sydney L. Keymer, Robert Preston Gill, Samuel Hardy and Frederick A. Tomlinson esqrs. and Miss Clarke and Mrs. Forsyth-Forsyth are the chief landowners. The soil is clayey, and the subsoil marl. Market gardening is carried on to a great extent, and very large quantities of strawberries are grown here. The area of the parish is 1,631 acres of land and 7 of water; rateable value, £30,791; the population in 1911 was 4,090 in the civil and 5,645 in the ecclesiastical parish.

The register dates from the year 1838. The living is a vicarage, net yearly value £330, with residence, in the gift of trustees, and held since 1898 by the Rev.
